Sub: Pension Revision of BSNL Absorbed BSNL Retirees - reg

Dear Comrade,

It is w.r.t your communication dated 29.11.2019 wherein you have informed the decision of your CEC to launch agitation programme to exert pressure on the govt. for achieving pension revision for which you are seeking cooperation of important pensioners organisations to make it a joint struggle. You have also intimated that your CEC has also decided to take legal action on the same issue.

In this connection we would like to know the approach / decision / methodology of your associations for the settlement of pension revision of BSNL absorbed pensioners. Whether it is on the basis of 3rd PRC recommendations or on 7th CPC recommendations. For legal action what are the legal points your CEC has thought beneficial in favour of IDA pension revision? As you know DoT has linked the pension revision with pay revision of BSNL employees and not ready to delink it and at this juncture pay revision in BSNL seems to be a difficult proposition. Earlier IDA pension revision OM dated 15.03.2011 vide which earlier IDA pension revision took place was a combination of recommendations of 2nd PRC and 6th CPC which was linked with pay revision of BSNL employees. Now DoT has to take up the matter with cabinet for delinking of pension revision from pay revision of BSNL employees. For this purpose a concrete strategy has to be formulated for taking all the pensioners Associations together with a common demand so that DoT don't play a politics on this issue.

Kindly elaborate stand of your association in this regard and thereafter decide a joint struggle taking all the pensioners associations together with common demand.

With best wishes,

Comradely yours

**(Prahlad Rai)
General Secretary**
