Sub: Deduction of TDS on Medical Bills-reg.

Respected Sir,

We would like to draw your kind attention on the issue of TDS on pensioners medical bills which are not actually paid was in discussion with you good offices for quite some time. It was pointed out to us that as per IT rules TDS had to be deducted once liability is created even if the payment is delayed.

To know the reality, RTI was filed with Income Tax authority. Their reply has been received. (copy enclosed as Annexure-'A'). As per the reply of question 3, they have clearly mentioned that TDS has to be deducted at the time of making specified payment and to be deposited to them within 7th of next month.

We would therefore request you to kindly stop the present practice of making TDS once liability is created. The TDS may be deducted at the time of specific payment as clarified by IT authority. If required necessary changes may be made in ERP package.

An order may kindly be issued clarifying the position at the earliest. All the medical claims which are kept pending and not entered in package to avoid TDS may now be entered and necessary liability may be created.

With kind regards,

Enclosure: As Above

Yours Sincerely

(Prahlad Rai)
